President's Message – January 2020

Well, it sure feels strange saying 2020, but here we are. Happy New Year's Day to all 970 of you! Just to be clear, you will be putting up with me for the next two years. Thank you all for your kind words and encouragement that I continue to receive but please remember, it takes a village and we have one of the best with outstanding Board of Directors and the incredible Committee Chairpersons. We run on volunteers so please join in and sign up to help whenever and wherever you possibly can.

What an exciting season we have had so far. In 2019 our club has been a real presence in Lake Havasu doing great community work while enjoying our play time. We started out by leading the "Lake Havasu Days" parade. We have done desert clean ups, road to trail cleanups, trail maintenance, assisting the local Fire Department in their rescue vehicle fund raiser, started "Adopt a Senior" Christmas program, held our 2nd annual Parade of Lights and held our 2nd annual "Cookies for First Responders" with close to 100 dozen cookies plus Merrillyn's 18 giant size that equaled another 72 dozen delivered all over town. **Thank you to the bakers!** We also continue to hold a food collection every month at our meetings for Havasu Community Health Foundation Food Distribution Center.

We are starting a list of all veterans within our club. If you are a veteran and were not at the December meeting with our signup sheet, please email me your information to add to our list. We will have an entry in our side by sides for the Veterans Day parade this year. It will be wonderful to see what branches you served in and what years. We appreciate every one of you that served for our country. There is no greater sacrifice than risking your life for the safety of others.

We socially gather every month for a "Dinner on the Boulevard" at local restaurants and organizations like the VFW. This month we will be hosting our first "after the holidays" party at the Aquatic Center. The theme is "Living in Paradise", Jimmy Buffet style. No dress code! This is a HSXS sponsored event with music and dancing, possibly some karaoke and with a cash bar. We ask that you sign up by the 7th and it is pot-luck. Last names A to L are asked to bring an appetizer and M to Z a main course. There are lots of outlets for crock pots.

President's Message – January 2020

As I have grown older, I realize why god gave us two hands...one for helping ourselves and one for helping others. Remember, volunteers don't always have the time, but they always have the heart.

Respectfully,
Donna Pineau
