## **President's Message – March 2020**

I have just returned from another successful club weekend event. It was held at the AVI Campout but remember, many of us just stay in hotels and join the fun! Don't ever let the term "Camp Out" scare you away from a great memorable adventure. We have a few more planned events before the heat sets in and the boats come out.

We had the vote at our last General Meeting for tire mandate and it passed. It will be necessary for participants to have a spare tire on club sanctioned rides. This will go into effect September 1<sup>st</sup>, 2020. The Ride committee has also strongly suggested the following equipment: **Tire plugs, inflation devise, fire extinguisher, spare drive belt, first aid kit and an orange flag.**

There are 3 distinctly different rides that you will see in photos on our face book page:

1. **Club Sanctioned rides** and weekend events that any number of members may join in.
2. **Limited Club Sanctioned rides** where ride leaders post and limit the number of SXS's they will include
3. **Private Rides** where members get together without our ride committee involved and plan their own adventures amongst friends and family.

Rocky Bertsch has started a new venture for members who don't understand Private rides or how to get involved. He will be hosting a meeting on Mondays at Pizza Hut, noon time for members to learn and plan some private rides.

You will see beautiful photos from all three of these types but if you post photos of Private Rides, you must state that, so members do not think the Ride Committee has left them out of a fun day. Meet people in this group and plan some of your own private rides. Just remember to never go alone and it is best to have navigation and communication.

Our guest speaker for March 19<sup>th</sup> General Meeting is Dr. Richard Teff, Neurosurgeon. I have had the pleasure of hearing him and found his talk quite interesting and easy to follow. He speaks so the average person can understand.

The calendar of events is quite full this month. There are many other local events happening too. If you are a member with an event, let me know before the 1<sup>st</sup> of every month and I will try to add it to my events list.

We are still looking for someone to take on the position of Club Historian and we are taking nominees for Ride Committee Chairman.

Respectfully,  
Donna Pineau

"Volunteers do not necessarily have the time...they just have the heart"
