May 2020 Meeting Notice

Hello and happy springtime. The weather is perfect for outdoor activities and we have one coming up. Our Governor had ended the Stay at Home order on May 15th. I will be conducting an informal end of season meeting for those of you that are still in Lake Havasu City. This will take place on the 3rd Thursday of this month, May 21st. The location will be in the desert at Bison BLVD. You can come by SXS, truck or however you like. Drive forward into the large clearing. We will have someone trying to assist in parking to keep it efficient.

The meeting will start at 5:30 pm and should be over on or before 7 pm. The Special Events trailer will be there and four club 10' x 20' EZ-UPS will be set up for shade. I encourage you to bring a chair, possible an umbrella or a water spritzer bottle for cool down if necessary. The predicted temp is low 90's. Anyone who would like to come a little earlier to help set up is welcome. Everyone pack beverages. Water is essential for hydration.

I would also like to request that everyone try to adhere to social distancing. Your own health and wellbeing are yours to control. We are still at risk from a second wave of illness. I would hate to have any of you or your family members become ill. If you are feeling off that day and have a temperature, please stay home. If you have any reservations or health risks, please stay home. We will not conduct any binding voting at the meeting. My husband, Scott Pierstorff and I will not be hugging or handshaking. We are in close contact with older siblings with health issues. Please respect personal space.

Respectfully,
Donna Pineau, President
