## **President's Message** **Oct 1, 2020**

Our first meeting is fast approaching. We will be outdoors at the Bunker Bar (address below) in the fresh air. The meeting will start at 5:30pm promptly. Our PA system may be more difficult to hear so please try to refrain from talking during the meeting unless you request to speak. Nikos is offering us a **limited menu** that night. It is a smoking hot deal (pun intended) for \$12 a plated: smoked brisket sub, smoked beans and mac n cheese, all homemade. Grab a plate and a cold beverage from the bar and socialize.

Our Apparel and our Membership tables will be available before the meeting and immediately after. They will not be open once the meeting starts. We are not certain yet if our 50/50 or 50/25-25 will be available at this meeting but if so, I will announce it. All these tables will be set up near the entry.

We will need an Election Chairman and Committee. Please volunteer if at all possible. This is not a difficult position but is a very important one. The positions being filled for 2021 are Vice President, Treasurer and Membership Chair. The committee will call for nominees and the vote will take place at the November meeting. The two-year term will start January 1<sup>st</sup>, 2021.

The Ride Committee Leader will have information on all scheduled rides. Your input, help and ideas are always welcome.

The Special Events Team can always use help and inspiration. Go to a meeting and listen in to see if it is something you like. The social events are a wonderful way to meet members and gather information.

Please bring some candy to our meeting for Fright Nite 2020. We will let you know the details for where we will set up our space.

**“Be brave to stand for what you believe in even if you stand alone.”**

Respectfully,  
Donna Pineau
