President's Special Message November 5, 2020

It has been brought to my attention that I did not follow protocol again for nominations prior to voting.

First, we need 3 members for our election committee. Lisa Garrity is our appointed Chairperson and Gary Van Der Starre has been appointed to the committee today, but we need one more member on her team.

Second, just like last year, we neglected to post on face book and our web site that nominations were open for 10 more days after our meeting, giving other members a chance to run for office. Having said all that, we will open nominations at our November meeting and post the results as specified in our By Laws. Lisa Garrity and committee will record all nominations. This will be posted on face book and our web site on November 20th, the day after our meeting. On November 29th, nominations will be closed and a list of all people running for the three Board positions will be given to the President. Dawn Perry will post on the nominees on November 30th on both Facebook and our web site. They must be members in good standing with dues paid. Voting will take place at the December meeting. I am leaning toward Anderson Toyota dirt lot unless a better venue arises.

This has been the year from hell with COVID-19, elections and people not being able to come to LHC or to meetings. We must give everyone a chance to be heard and step forward if they want to run for office. Thank you all for your help and understanding.

Respectfully,

Donna Pineau - President
