## **President's Message March 1, 2021**

It is February 28<sup>th</sup> at 4 pm when I realize I must write and send out my message! We just got back from the club Bouse events. It was a big success with many members camping there and just as many or more driving out for day trips. Every day there were multiple choices of rides. A big thank you to Lisa and Dave Garrity for putting this together and to Special Events Chair, Lynne Jackson for the fun scavenger hunt. Thank you to all the ride leaders and tail gunners: Larry Groll, Rick Drake, Richard Jackson, Dave Garrity, Scott Pierstorff, David Luoma, Paul Grodt, Nic and Phyllis Nicholas, and Rocky Bertsch. If I have missed any names, I plead exhaustion. I find it difficult to ride 3-4 days in a row. This was my first time ever riding in Bouse and it was wonderful to get away from washboard. If you have never been, plan to attend next year or whenever you can.

We have a few ride events coming up in March. These were listed in the membership minutes that were posted by Secretary Linda Van Der Starre. They are always informative and well done. She deserves a big "Thank You" for her dedication and hard work. All rides are listed on our website calendar and under events. Small rides pop up all the time so keep an eye on our Facebook pages.

We now have two deserving members so far for the March meeting "Cow Bell" award. Please plan on attending and laughing at these (slightly embellished) stories. Members present will vote on the best recipient. The Jackson's proudly displayed the bell on their ride. It was a sweet sound as I well know. Location, location, location!

The Dixie Belle will be launched this week. A few hard-working members volunteered to help with the completion. I am hoping we can set up a club event and rent out the boat. We shall investigate costs and times.

Thank you to Paul Atwood for his great effort in cleaning a small part of our city at Body Beach.

Joe Costa has come up with some wonderful ideas to explain what our club has to offer. We will be working on this for posting on our website. So far, our Membership Chair, Charna Walker has worked to improve the home page. Take a minute to check it out, [Havasusxs.com](http://Havasusxs.com).

The Sunshine Lucky 52 committee is working hard to select the most appropriate times and dates for the weekly drawing. The week of our monthly General meetings will host the drawing. They are working to select our business members each week with times that are best suited for them. It will be shifting to Thursdays most weeks with morning better for all so stay tuned for their updated post each week on where and when. Remember, we are all volunteers, and our time is important too. **GOOD LUCK!**
