President's Message February 1, 2021

With the rains this past week we will finally be enjoying more rides with less dust. It has been a long time coming. The snow on Crossman's Peak is beautiful to see.

Your officers and chairpeople continue to work for the betterment of the club during these challenging times. Our Sunshine team is busy with the Lucky 52 drawings. They have raised funds to help our community. Kay Wdojack, our Charity Chair has been working on presenting vetted charity options. That simply means they comply with Federal guidelines of a charitable nonprofit. Sunshine Co-Chairs Jan O'Gorman and Jeannie Chilia will be working on this. It was through their forethought and efforts that these funds were raised. Their recommendations will go to the Board and then be presented to the membership. In these difficult times, we hope to make a small difference in the lives of those who need it most.

Our Special Events team has been trying to come up with safe events...it is not easy. Chair Lynne Jackson has presented many ideas, but our current situation has prevented most social gatherings. With any luck we will end the season with a bang this spring. Keep your fingers crossed! It was brought to our attention that gifts/prizes at functions cannot be solicited nor given out without a minimum monetary ticket purchase. This is to follow Non-Profit rules. Please show your support and help whenever you can.

Ride Chairman Dave Garrity is working hard to bring healthy rides back. Keep watching events. It is with the help of his committee of ride leaders that will be called upon to make this happen.

Our new page, "Havasuside SXS Trail Association Member Private – Off the Beaten Path" is up and running. A big thank you to Dawn Wilhem Perry for working hard to help all members. Once you join, save it to your side Shortcuts and start posting photos of private rides, jokes, items you may want to sell that are not SXS related and anything else that is not confrontational nor political. You can hook up with members for private rides too without any repercussions. This was made for you, the members. If you do not like what you see, simply scroll on by. Please try it out.

Havasuside Trail Association

President's Message February 2021

Our Apparel Chair, Katie Macomber will be completing her volunteer commitment at the end of this season. We need someone to step forward and take over. It is not difficult, but it is necessary. This can be a co-chair position. Katie will help transition whomever takes over.

“Positive thinking will let you do everything better than negative thinking will.”

Respectfully,

Donna Pineau
