President's Message May 1, 2021

Our season is coming to an end this month as the temperature continues to climb. We still have rides planned for those that can trailer out to cooler places, starting later this week in Williams. Many members have been posting rides to other places. If you are interested post a query.

We return in September. If possible, with the help of many we will be able to host a HSXSTA Poker Run next season. Joe Costa has put out a list of necessary volunteer positions and items to be completed before we can even consider being able to do this. Please reach out soon to sign up.

During our summer months, many of you will travel to get out of the heat but many will be here, just switching up their fun to boating. Check our Facebook page for invites to join in some fun or post your plans for others to join you. Let us try to stay connected. I personally like weekdays, as it is not as busy on the lake. I attach a club flag to our boat whenever we go out.

Our last meeting is May 20th and then the club "goes dark" for 3 months. The meeting will be at the Quality Inn starting promptly at 6pm. Come early to socialize, get apparel, and purchase food or beverages. Do not forget your 50/50 tickets. Bring a little something for the food bank if you can. Just before the meeting, the Lucky 52 team will pull the weekly winner. Josh Martelli is our guest speaker, owner of the UTV World Championship and the Mint 400 along with his brother Matt. They are HSXSTA business members and will talk about the October UTVWC event here in LHC.

We had an extraordinarily successful "Rick Seales Annual Veterans Ride" day yesterday. It was a warm one but next year our timing will be better. This was a great event for our most honored heroes! Thank you all who participated and all our many volunteers.

Respectfully,
Donna Pineau

Havasu Side by Side Trail Association

President's Message- December 2019
